Dear Ms. Dortch and Ms. Flannery:

Transmitted herewith, on behalf of Public Service Cellular, Inc., is its Interstate Common Line Support and Long Term Support Annual Certification.

On February 28, 2005, the network assets used by PSC to provide service and all subscribers were sold and, as of that date, the PSC line-count would have gone to zero. PSC will continue making line count filings and certifications in a timely manner through the period that reflects the reduction to zero subscribers.

Should you have any questions with respect to this matter, please communication directly with the undersigned.
